

Fleet Captain's Scheduled Cruise Report March 2018

Hello Mates

On Sunday 3/18/18 5 boats untied from their docks in Hudson 2 for a day sail & 3 for an overnight to Dutchman's Anchorage.

Byron Pepler & Mary Marcano on ***Serendipity*** & Tim & Leisa Sander on ***Paisley Mae*** went out on the day sail.

Bill & Sim Deinema on ***Lagniappe***, Don Himes & Jim Berle on ***Time 2 Cruise*** & Les & Judy Emery on ***Voyager II*** all cruised down to Dutchman's for a raft up & an overnight.

The weather on Sunday was beautiful. Monday's weather was overcast skies with intermittent rain & good wind for sailing.

All returned safely.

I feel we need to get more people involved in the fun of going out on the water with their fellow club members to enjoy what the club is all about.

Even though we had a small group of cruisers (day sailors & overnights), all had a good time.

Don Himes has posted photos on the website.
