

Georgia Lions Camp

August 2023

Summer Camp 2023 has come to a close. Campers from three states came to spend a short time and enjoy a week of fun and games. Each year campers are allowed to try and experience new and improved programs and activities. 2023 was another year to come and build on these expectations.

Throw in some fishing time and get hooked.

This year one of our Program Directors worked with her dad who is the Fishery Manager at the Georgia Department of Natural Resources, Mr. Bert Deener. Bert came each week to instruct campers on the basic fundamentals of fresh water fishing. How to tie on a hook, bait the hook, cast the line, reel in the big one. One of our campers did catch a 5lb catfish! In the camp's pond are numerous small bluegill fish and catfish. Not deep enough yet for any bass to live in it.

Campers from each age group seemed to really enjoy fishing this year with Bert and counselors helping and encouraging them as they fished. Fishing is usually one of the top activities the campers love to participate in.

Tandem and Recumbent bike riding is another activity these campers enjoy. If you would notice in the recumbent bike picture, the one where the instructor is turning his head to speak and give verbal accounts of what they are riding by, he has to turn his head. We are looking to have another type of recumbent bike where both pilot and camper sit side by side. Keeping eyes forward!!

The foam machine was brought back to life and campers enjoyed playing in the bubbles. Some of the counselors too!

Canoeing, conquering the climbing wall, participating in the amazing race was all designed to allow campers enjoy the "Festival of the World." I apologize for giving you the wrong name for the 2023 theme last month. It was not "Adventure of the World" but Festival of the World."

Summer camp never has a boring moment. To fit in with our Summer Camp Theme was another visit by The Lions Foreign Exchange Students. Hosted by Becky Jerrel, volunteers, and the Atlanta Lions Club. Students from Spain, Netherlands, Italy, and many other countries came to spend a day with the campers.

As these students arrived on Wednesday evening they were invited to join in with the campers as they celebrated “Prom Night.” Lots of food, fun, dancing and music. A brief break was taken as each group introduced themselves.

Many of you may have participated in the Braves game where proceeds from ticket sales were presented to help with programs here at the camp. This year they presented the camp with a check for \$1,500.00 to help with summer camp programs. Thanks again to the Atlanta Lions Club for making it possible for these students from abroad come and participate and be a part of the Georgia Lions Camp.

With summer camp coming to close we can’t forget about Lions Day. Lions’ day is set aside for you as Lions to come and interact with the campers. Stroll the grounds to see what is new or maybe needs a little TLC. A time to talk directly to a camper or staff member to see how they feel about camp. When asked they will give an honest answer. They don’t cut corners and are encouraged to tell it like they see and experience camp. They tell you what they like and what they would like to have at camp. I think the one complaint is that the week goes by too fast and they wish they had a few extra days.

What Is Lions Day without the annual camper vs. lions’ goalball or beeper kickball game? We have decided for the past several years to go with beeper kickball instead of goalball. It allows more participation and those poor DG’s, PDG’S, and Lions have a hard time getting up and down from the ground when trying to play goalball!

I am sorry that no one shared their pictures with me of the Lions going down in defeat once again. Final score was Campers 3 Lions 2. Still undefeated and reigning Lions Camp Champs! Campers of 2023.

I would like to thank District O for arranging for all the decorations, setup, food, servers, and helping put away all the tables and chairs when Lions Day events ended. Those who came were treated to a special Flash Mob performance by the Campers and staff. After all festivities were over the campers exited to their dorms for a little rest time before the evening events.

I do wish many of you could have stayed for the closing talent show performances from these teenagers. Once again, they performed without hesitation. A few of the Lions stayed over and were treated to some spectacular performances. This is always a highlight of a camper’s week. All age groups love just being able to be themselves. No boundaries. Just fun!

The following morning, on Sunday, camp was about to be over. Talk was already about Christmas Camp 2023. Which will be the weekend of December 8-10, 2023. Again, this year we will have the honor of DG Rita Harris and her Living Life Team hosting the annual Christmas Party. Lots of entertainment, games, and food will be ready and waiting on these campers.

As campers, staff, and volunteers said their goodbyes, there was a lot of emotions going on. Another example of what the Georgia Lions Camp does for a person who attends. Camper, staff, or volunteer! It is a great feeling. Memories and friendships are made and will last a lifetime.

This is why we should all work together to continue support. Physically and financially. Reach out as a Lion and tell others what we have here. Many do not know. It is sad to say, many Lions do not know what the camp is all about. They may have heard about it, but don't understand what it does for the visually impaired and blind community.

I do need your help here, helping with the upkeep of the buildings and grounds. Check out the dates for upcoming Lions Service days. Next scheduled work date is October 6-8, 2023. Can't come on that date, call me and see if you can come another time. Contact Hal Simpson our B&G committee chairman to plan a work date. Or check out the posted work projects in this newsletter.

We need financial support. Many campers can't afford the cost of camp. No one is ever turned away. We have to raise the funds needed the best way we can. Sponsorships help considerably. Now these are sponsorships above what you or your club may put in their yearly budget to support the camp. The fundraising committee is working hard to come up with ways to help offset the camper cost. Do you have any ideas that may help?

Check out the Needs List. There is always a need for something here at the camp. the list changes regularly. Many have seen the list, contributed and some items have been deleted. Thanks to all who have helped. Gift cards are a great way to help if you can't decide what to buy.

Now that camp is over, it's time to begin planning for the next event. Make some much-needed repairs. Handle all the surprise repairs that hit us on the last few days of camp. Sit back and take a deep breath? Maybe in January.

I can't stop and not give a praise of thank you for this year's summer staff. Thanks to my maintenance person, the kitchen crew, to counselors, to the nurse, to the program's directors, the volunteers, and Mrs. Gail who always finds a way to help way beyond what she does here in the camp office.

Putting a successful camp on takes a lot of effort by many individuals. All are asked to Serve others. That is what we do, SERVE!! It is hard work. But when you see the smiles on campers as young as six to those as mature as seventy-one. Whew! There it goes again. That ah-ha moment.

Thanks again for your continued support,

Mike Williams
Camp Director
Georgia Lions Camp, Inc.

REMEMBER:
Let's "KEEP THE CAMP FIRES BURNING"
Add more Wood! "MAKE IT BURN BRIGHTER"
"Never Let the Fire Go Out"

On behalf of our Board of Directors and myself, I would like to say THANK YOU to the Lions of GA for their support of the Camp and Lions Day.

Lions Day 2023

I write you today, to say Thank You to the Lions of GA! Thank you for supporting our camp and to those who were able to join us for Lions Day at Camp 2023. We had a great meeting; we were treated to great entertainment by the campers and great fellowship by all who attended. We had several friends who could not make it due to illness, and they were certainly missed! District O hosted and did a great job! I am proud of our district!

I would like to take the opportunity to thank Past International Director Kembra Smith for joining us! Your leadership and kind words of support means so much to the camp, and to me personally.

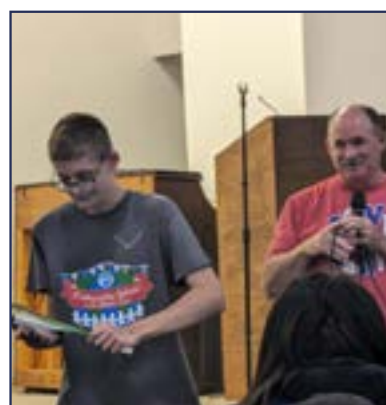

I would also like to say THANK YOU as all four current DG's were there! We appreciate your support as well. Thank you for going "ALL IN" and supporting the camp!

Thank You to the GLC Board everyone was there – You guys and ladies ROCK!

Lastly, I want to Thank camp employees, Mike and Gail Williams You guys are the reason our Camp is successful. You are the glue that holds everything together at the Camp! We do not say it enough but Thank You for everything that you do. I was able to spend some extra time with our staff for camp this year and these young people are AMAZING!! They worked so hard and did a great job. As the campers were preparing to leave either by bus and then one by one by car, there was not a dry eye at the camp. Campers did not want to leave and go home and staff did not want to see the campers go either. The bond that these young adults shared with one another made me proud to be a Lion and also a member of the Georgia Lions Camp Board of Directors!

Yours in service,
Jay Taylor

Liquidity ratio calculation: total budgeted cash expenses/12 X 3.5				
Industry standards for a solid financial standing = 3 months of average annual expenses (cash). The Camp, by nature, is Seasonal.				

As of the end of JULY 2023 (month 7 of Year 2023) -- Summer Camping Season 2023 is now history, but the Bills and Expenses continue to com that we did NOT build our cash as we should have during the pre-camp months to prepare for this season. Camping Season expenses followed the normal path -- . We ended up transferring (thru JULY) a total of \$50,000.00 from our Investment Fund into our Operational Fund. Normally, revenues drop even further after Can happens this year, that will hurt.

Kroger

Here is another way to help your Georgia Lions Camp and it will not cost you any extra money. If you already have an account at Kroger for digitalcoupons and other saving ways, then you are almost there. If you do not already have an account with Kroger, you can use the same links below to get one. If you are not already set up to have funds donated to the camp, here is how to take care of that.

1. Go to [Kroger.com](https://www.kroger.com)
2. Sign in like you were going shopping or looking for specials.
3. Go to my account.
4. Go to community rewards. Select Georgia Lions Camp for the Blind, which is the old name for the Georgia Lions Camp.
