Today is such a bitter-sweet day. We just got back from dropping Ayden off at his new home. We love him so much and over the last three and a half months we have grown very much attached to him. But we also knew that there was no way we could care for him over a long extended period of time. And as always God in his divine providence had the perfect solution to our dilemma. God provided a very godly young couple and we have known the wife Lori for most of her life. In fact her family lived right around the corner from us and she and Beth were friends since kindergarten. Her husband Brent is the Youth Minister at First Baptist Whitewright and they are excited to have Ayden in

their family. They have a five year old daughter, Zoey and she will be a wonderful big sister for Ayden. I say all of this because I want to thank you for all of your prayers and care you have given for us during this time. God is so good and I know He will honor all that you have done. You are such a gracious and caring church and I thank God for you every day. I know God has great things in store for all of us. Please continue to pray for Beth, Ayden, Brent, Lori and Zoey.

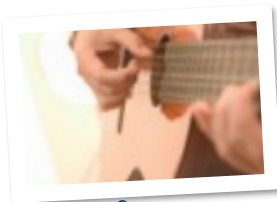

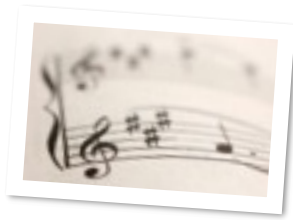

God bless.

*Sunday, November 27th in the evening, followed by the hobo stew fellowship.*

# Music Notes

Mark your calendars and start making plans to attend and invite your friends, family and coworkers to our annual Christmas program! N.O.E.L. Night Of Everlasting Love will be on Saturday, December 10th at 7:00 and Sunday, December 11th at 4:00. Besides your attendance and inviting others to come there are a couple of other things we could use your help with. First and foremost is pray. Pray for the choir as we prepare to share the musical "On This Very Night." Pray for good health for everyone. Also pray for good weather for the weekend. Also, we need you to bring snacks and Christmas goodies for our fellowship time following the musical.

Our Christmas decorating day will be on Sunday, November 27th and we need individuals and Sunday School classes to help us put up and decorate trees and decorate the church for the Christmas season. This is also the day of our Church Conference and Budget discussion along with our annual Hobo Stew fellowship that evening.

We are looking forward to a great Christmas season once again this year! Please come and help us celebrate! Before all of the Christmas festivities begin let's not forget Thanksgiving and remember to give thanks for the many blessings that God has provided for us. Our annual Thanksgiving pot luck dinner and prayer and praise service will be on Tuesday, November 22nd at 6:00 pm. Make plans to attend this always special time with family, church family and friends.

Special thanks to Christi Bartley and the choir for providing special music for worship for the month of October!

# Student Ministry News

The Fall Festival was so much fun! I would like to thank everyone that helped in anyway. I love events where we come together and celebrate our families in our church and community! Our next big outreach event is just around the corner when we put on our Christmas show N.O.E.L.. We will need everyone's help to make this event and our church a blessing to our community.

This past month our students went to see the Judgement House in Bonham. Each year Boyd Baptist church does a wonderful job in sharing the gospel in such a unique and creative way. It never gets old watching our students experience this event and all of the excitement that follows it. If you would like to know more about this years play, please ask one of our students! It's always so much better to hear it from them, than it is to read about it in the newsletter.

Please be in prayer for our students, that they will have the boldness and courage they need to be the salt and light they are called to be in their homes, in their classrooms and on their teams.

## FFBC KIDS

October was a busy month for the kids. We have been taking up offering in children's church and the kids decided they want it to go to center cross ministries. Center cross is a new ministry that opened up in the area and they were in need of socks. The GA group was able to buy \$73 worth of men's, women's, and children's socks. We took the children to the local pumpkin patch. They were able go through a maze, petting zoo, hayride, and pick out a pumpkin to take home. We also have our fall festival coming up with booths, games, and candy. November will be a quiet month for us as we get ready for the Christmas holiday
