## Career Profile

**Directions:** Search the Department of Labor website (<http://www.bls.gov/oco/home.htm>) to profile three careers that interest you. Simply type your career of choice into the “search” box, read the information, and enter the important data into the table below.

**Hint #1:** You may need to adjust your career name (be more or less specific, or think of another name) in order to find it.

**Hint #2:** The important information is not always first. Be sure to read ALL the information and paraphrase below.

Career	Education/ Knowledge/ Degrees Needed <i>(Found under “Training, Other Qualifications, and Advancement”)</i>	Average Beginning Salary <i>(Found under “Earnings”)</i>	Tasks and Activities Involved <i>(Found under “Nature of the Work”)</i>	Skills and Personality Traits Needed <i>(Your opinion based on the information given)</i>	Related Occupations <i>(List 4 or 5; found at bottom of page)</i>
