AKC Registration Update

From AKC FSS Facebook Page 11/30/2012

“Chinook and Portuguese Podengo Pequeno folks - the conversion of dogs with three generation pedigrees will occur this weekend. New certificates will be printed and mailed for dogs five years of age or younger to the owners reflecting AKC Registration. The AKC number remains the same. All future litters should be submitted on an AKC Litter application. If you would please share this information with the Chinook and Pequeno owners.”

When ask, “If we do not receive new registrations on dogs over 5 years of age are we still able to register puppies out of these dogs and bitches?”

AKC FSS replied, “If you have dogs that are older and you wish to receive their papers you may email fss@akc.org with the dogs number and current mailing address; we will then send the papers. To answer your question yes you can still register the litters without the papers.”

PPPA Represented at AKC's Meet the Breeds in New York City at the Javits Convention Center

The Banner at entrance to exhibit hall

PPPA exhibit booth before the crowds come

On October 20th and 21st, 2012, the American Kennel Club put on their 4th annual Meet the Breeds Exhibit in conjunction with TICA and many of their cat breeds.

The Portuguese Podengo Pequenos of America represented the PPPequeños for the third year in a row. Approximately 20,000 people came each day to view the dogs and older puppies (and cats) and to talk with the breeders and owners about their specific breed. It was a fantastic way to teach the general public about this wonderful little hunting hound. Included here are some of the pictures that were taken by our representatives during the two days when they weren't busy holding a PPP and talking about it.

An excited little girl meets a PPP puppy !!!

Many thanks go to a number of PPPA members and their family members who helped transport, set up, man the booth and perform all the many tasks involved in a weekend of sharing our dogs with the general public.

From New Hampshire came Penny Schroeder, her son, Scott, and granddaughter, Sammi, and her sister-in-law, Marilyn Tanguay, all of whom worked in the booth and helped with two 6-month old PPPW puppies and a “smoothie” adult during the weekend. On Saturday, Judi Carson and her Valentina came over from Pennsylvania to help; and on Sunday, Kathy Burns and her husband Paul and their Zoey helped for the day having driven in from Massachusetts the evening before. A great working group, we shared lots of laughs and much information with the public and amongst ourselves.

The Pequenos were a hit. We had people stop in who had visited our booth last year and some even for the last two years. They LOVE our little breed.....and there are some who are waiting until “the time is right” to get one of our little guys or gals for their very own. Many questions were asked; much information was shared; and lots of actual physical contact with the puppies and adults was had by children and adults alike. Several AKC judges stopped by to have a look and talk to us, too, as well as several AKC “V.I.Ps” who especially like our little breed and have helped us along the way.

Marilyn T. “educating” while Dora “greet

The PPPs were exhausted by afternoon each day despite them being given “rest time” in their crates, but they carried on “meeting and greeting” and enjoying the kids as well as the adults. By Sunday afternoon, the Pequenos were sleeping in our laps for periods of time.....but so were many of the other dogs in the other breed booths. They had done their jobs well and we were proud of them !!!

On Nov. 4, 2012, the Badger KC held its 24th ANNUAL WISCONSIN DOG FAIR

The MEET THE BREED program is the highlight of the fair, with individual breed booths, including recognized, rare, and miscellaneous breeds, and the parade of breeds, where each group is shown in the ring at given times, for all to see.

Conformation, obedience, agility, flyball and rally demonstrations were also given throughout the day. This year, mushing, treibball (HERDING BALLS!!), and freestyle demonstrations were performed. Very fun to watch!

Representing the Pequeno was Sandy Truitt with her wire pequeno "ESTRELA" (MULTI CH. GOIABA DA TERRA DE MONTOITO TDINC) and her smooth pequeno "ARAMIS" (UKC CH. RENAISSANCE ARAMIS). The ever popular "ESTRELA" wore her festive pumpkin outfit, and "ARAMIS" entertained everyone by standing and walking on his hind legs for potato chips! This was the first time a smooth pequeno was available for people to see. Needless to say, he drew quite a crowd, and many people became very interested in the breed, spending a long time asking questions and taking brochures and handouts.

Badger KC was hoping to exceed 2,500 spectators this year! The attendance was steady all day, so I'm sure they did!

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

PORTUGUESE PODENGO PEQUENO

General Appearance

A wedge shaped head (a four sided pyramid) with erect ears, a sickle shaped tail, a sound skeleton, well muscled: very lively and intelligent, sober and rustic. This is a breed of moderation.

Size and Proportion

Size - The height is 8 to 12 inches and the weight is 9 to 13 pounds. *Proportions* - The distance from the withers to the bottom of the chest is one half the total height. The length from the point of shoulder to the point of buttocks is 20% longer than the height.

Head

Lean broad based wedge shaped as a four-sided pyramid when viewed from the top or in profile. A large base and a definite pointed muzzle. *Skull*: Flat, almost straight in profile. Prominent brow bone. Barely perceptible frontal furrow. Relatively flat between the ears. Prominent occiput. Planes: The plane of the muzzle very slightly diverges downward from the plane of the skull. *Stop* - Barely defined. *Eyes* - Very lively expression with small almond shape set slightly oblique. Not rounded or prominent. Eye color ranges from honey to dark brown in accordance with the coat. *Muzzle* - Curved, when seen from the top. A straight profile which is shorter than the skull, broader at the base, and narrowing to the tip. *Cheeks* - Lean and obliquely set. *Nose* - Tapered, obliquely truncated, and prominent at the tip; black or darker colored than the coat. *Lips* - Close fitting, thin, firm and well pigmented. *Jaw/Teeth* - Scissor *bite*. Normal occlusion of both jaws. *Ears* - Set obliquely at the level of the eyes, straight, with high mobility, upright or tilted forward when attentive. Pointed, triangular and wider at the base, thin, longer than the width at the base.

Neck, Topline, Body

Neck - A harmonious transition from head to body. Straight with a slight arch at the nape. Medium in length, well proportioned, strong and muscled. Very dry without dewlaps. *Top line* - Level. At rest it falls curved and reaches to the hock joint. In action it rises to the horizontal slightly curved or vertical in the shape of a sickle. A curled tail is a serious fault.

Forequarters

Shoulder - Blade moderately laid back. Shoulder and upper arm angle is moderate. *Elbow* - Well tucked in. *Forearm* - Straight, long, muscled. *Pastern* - Short, lean, strong and slightly sloping. *Feet* - Oval, strong, tight, slightly arched. Strong nails and tough firm pads.

lean, strong, and well muscled. Hock joint - Medium height, lean, strong, moderately angled. Rear pastern - Strong, short, straight. Without dewclaws. Hind feet - As in front.

Coat

There are two varieties; Smooth coat which is short and very dense. Wire coat (rough) is long and harsh. The hair on the muzzle is longer (bearded) on the wire coat variety. The wire coat is not as dense as the smooth variety. Both varieties are without undercoat. Skin on both varieties is thin and close fitting. A very rustic breed shown naturally. Groomed but not trimmed or sculpted. Dogs whose coat has been altered by excessive sculpting, clipping or artificial means shall be penalized as to be effectively eliminated from competition. A silky coat is a fault.
