

SOUTHWEST MILAM WATER SUPPLY CORPORATION
REQUEST FOR SERVICE DISCONTINUANCE OF RESERVE METER

When a Discontinuance of Reserve Service Form is completed and returned to the Corporation, reserve service will stop. If service has been discontinued due to non-payment, the same procedure will apply. The Corporation will not reserve service to any meter without payment in full. After discontinuance, the Corporation will liquidate the account after a period of 30 days.

Before liquidation, the customer may resume service by bringing charges to the account current. After liquidation, the customer will have to apply for service as a new applicant and pay all associated fees as indicated in a then current copy of the Corporation's Tariff. Future ability to provide service will be dependent upon system capacity, which may be limited and may require capital improvements at the customer's expense.

I, _____,

hereby request that my Reserve Acct. # _____

I further represent to the Corporation that any co-owners of the property join me in this request, and I am authorized to execute this Request for Reserve Service Discontinuance on behalf of those co-owners.
