AUGUST MONTHLY PROGRAM

Collection of Mr. Bingle By Robin Hymel with extras from member Charlotte Baham

Thank you's to Robin and Charlotte for bringing both beautiful collections and information to our club meeting. Mr. Bingle was created in 1947. Robin began her collection in 1983 with a 1983 Cookie Jar. Her collection includes around 25 Mr. Bingle dolls, wrapping paper, cards, puzzles, stockings, rings from seeing Santa Claus at Maison Blanche, ornaments, and a 1960's puppet.

Charlotte Baham has been collecting Mr. Bingle since she was 1 year old. She had to repaint her first doll because of yellowing. She had a blanket to display, ornaments, and more.

More recent items can be recognized because of their smile and they have clothes. Items can be found on websites and on Ebay. The 1960's Plaster Bank is valued at around \$250.
