

Creciente Garden Club
Meeting Minutes
Thursday January 18, 2017

The meeting was called to order at 1:00 p.m., present; Cheryl Thompson, Gail Crane, Lynn Dawson, Rosalie Marci, Bonnie Ridner, Donna Wardanian, Dee Platt, Karen Belka and Sally Hadden, absent Carol Kucharek and Kathy Luce.

Board member Cheryl Thompson explained to the group that we are currently seeking two additional bids from landscaping contractors before we will be able to proceed with mulch and annual plantings. Also that the official board of directors chair person for the Landscaping Committee, will be announced at the Tuesday January 24th board meeting.

Members discussed painting dark blue accent stripes on the large clay pots on the garage deck, in the courtyard and in front of the north and south buildings. We will wait until we have been given permission to proceed by the board of directors, who must approve the painting project.

A date has not yet been selected to prune, weed and dead head plants and shrubs on the property, but will be in the near future when we are able to meet with the official board landscape chair person.

It was suggested that all members of the garden club have garden gloves, pruners and old clothes for up coming projects. Also, at any time a garden club member sees something that needs immediate attention, trash on the grounds, limbs, pots that need watering etc., feel free to pitch in.

Meeting adjourned

Respectively submitted,
Sally Hadden
