Out of Hospital Committee

12/5/19

Chair (acting) & recorder: Michael Fraley

Present: Del Horn, Linda Vollmar, Corey Smith, Jeff Nuernberger, Scott Langa, Jeff Freese, Kelly Bechel, Mark Schroeder

#### Stop the Bleed

Group asked if there was anything else the RTAC could do to promote classes. No new ideas at this time.

#### MIST

Group advised that cards are available. Will continue to promote MIST.

#### Grant projects

Michael noted that the applications will be released in January for project grants. Group asked if there were any changes needed to make the grants more attractive to EMS groups. Discussed the challenge of finding projects that benefited more than just one agency.

#### OOH project ideas

Discussed funds available to support OOH projects. Consider SALT training and Trauma Basics support.

#### Triage

New card inserts for the SMART triage packs to convert them from START to SALT are available from Michael
