September 2015

To Community Member,

South Huntington UFSD has been named as one of "The Best 100 Communities in Music Education" as recognized by MENC, The National Association for Music Education.

The Walt Whitman High School Marching Band is a competitive band that travels around the Northeast for competitions. In addition, we participate in all of the local Huntington parades.

With the reductions in NYS aid and escalating financial burdens on our school budget, families are asked to assume more of the financial responsibility to support programs such as The Wildcat Marching Band.

Thus, we are reaching out to you, our community, for help. We will be hosting a Talent Show fundraiser on Friday October 2nd at 7:30 in the Walt Whitman High School PAC. Our goal is to raffle off ten gift baskets and are asking you to please consider donating either merchandise or a gift certificate to be used in raffle baskets.

We appreciate your consideration and are grateful for all your contributions.

Sincerely,

Sharon White
