

DMHOA has made it a priority to gather information that can help all our homeowners during this time of crisis. This critical information is provided in the following breakout:

- **Resources for Individuals - help with rent, food, utilities and more**
- **Resources for HOAs - options for conducting your meetings and more**
- **HOA Innovations - ways to communicate effectively with your residents**
- **DMHOA - upcoming meeting info and request for volunteers**

Please get this information out to your residents. Many of our homeowners who need this information the most may not be able to easily print it from their computer. So, in addition to emailing it out and posting it on your community website, please consider posting copies of it where your community gets their mail, pass it on to your church and social groups to circulate. **All this great information is useless if our residents who need it - do not know it.**

The DMHOA website: [www.dmhoa.org](http://www.dmhoa.org) will continue to post updates - so check it often.

### **REMINDER: DMHOA General Membership meeting conference call - April 27th**

DMHOA General Membership physical meetings have been cancelled for the next few months and replaced with electronic telephone conference calls. We invite anyone living in manufactured housing on leased land and HOAs to join us for the next telephonic conference call.

**Date:** April 27<sup>th</sup>, 2020

**Time:** Call in at 6:20pm / meeting begins at 6:30pm

**Dial in number: 978-990-5000**

**Access Code: 907460 #**

- For better reception we suggest you call in on a land line if possible.
- T-Mobile customers are charged 1 cent per minute.
- The conference call line can support 1,000 people
- To mute your background noise press \* 6 (star 6)
- To speak during the Question / Answer period press \* 6 again
- Agenda will be sent out before the call

### **Minutes from the DMHOA February General Membership meeting attached**

Normally during our DMHOA General Membership meetings we would place copies of the previous meeting on the tables for everyone to read. Since our new electronic telephone conference calls do not afford us that capability, we have attached them here for your convenience.

We look forward to getting together with everyone on the April 27<sup>th</sup> DMHOA call.

Respectively,  
Joyce O'Neal  
Director of News Media  
DMHOA
