18-All new male players will start as 8's and women's as 7's.

19-We will use a template **26 teams** plus position rounds depending on confirmation of all teams.

20. "We need to address the new Captains and the "Basic" rules this League has established over the years in the Meetings and Voting.

There should be an understanding that these Rules are how we all play equally. If a Captain is in violation, that shouldn't be a excuse for them to use "I didn't know". That's not fair to the other Teams, especially in a Position Round situation.

All Captains need to know the rules, posted on website. Make it their responsibility to be familiar with DVPL's way of playing.
