December 2019

Ms. Taney: Lead Teacher
Mrs. Shore & Mrs. Warren: Teacher Assistants

What's Been Happening?

Food, glorious food"...was the theme during November and boy, did we enjoy feeding our hungry tummies as we learned about healthy and unhealthy food choices. We relished in a bountiful Thankful Celebration that included each child's favorite food: vegetables, fruits, dairy, grains, meats, and proteins, as well as, a few not so healthy choices. Our feast was both delicious and nutritious overall. Thank you to everyone who shared in this special day. We also discussed the ideas about Thanksgiving; being grateful for what we have, sharing and learning with others like the Pilgrims and Indians experienced. We ended the month with the classic story "Yuck Soup", and made up our own "Yuck Soup" book in class. It was a delight to see all the children's ideas as to what they'd like to add in the soup. The children also enjoyed reading the story "Stone Soup", as well as, making and eating a hearty bowl of stone soup (and yes we used a real stone when cooking this).

Peace and joy to all! Ms. Taney.

Classroom Monthly Themes

Gingerbread, Winter & Snow

Focus Words & Sign Language:

Gingerbread

Winter

Snow

Upcoming classroom events

*Cookies, Cocoa and a Movie

Tuesday, December 17th

* Gingerbread Houses*

Friday, December 20th

Toy Drive

11/ 18-12/9

Holiday portraits w/ Lifetouch

Wednesday,

December 4th

A Day Of Shopping

When: Saturday,

December 14th from

9:00am to 4:00pm

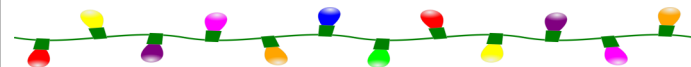

Open to all enrolled children and their families

It's December! What Are We Going To Do?

Our class will be trying to catch the Gingerbread man during the month of December. There are so many exciting activities that await us, as we indulge in this festive holiday treat! We'll be making our own gingerbread houses as well. More information to come in regards to the gingerbread houses.
