Meet the Leadership Team:

Director: Kaitlyn (DeAngelis) Bertelsen

Hello Montpelier! I have been a part of the Part 2 Crew for 3 years now. I am originally from the south shore of Massachusetts. I graduated from UVM in 2014 with a degree in Elementary Education and my first teaching position was teaching English in Thailand! I am now settling down in Vermont with my two beautiful daughters, and soon to be husband. I look forward to meeting new faces in Montpelier!

Assistant Director: Sam Empie

Hi everyone! I have been with the Part 2 Crew for 3 years and am so excited to be at UES for this year! I am a born and raised Vermonter from Richmond who loves to get outside and hike, swim, and run around! I am currently spending my time working towards an Associates degree from CCV, and plan to continue my education once done there. See you soon in Montpelier!

Coordinator: Lorien Leyden

Hey Montpelier! I am thrilled to get to spend more time in this amazing town. I have recently gotten to know it better since I have been attending Vermont College of Fine Arts and will be graduating with my Masters in Art Education in August! I am originally from Oregon but Vermont feels like home to me. I have a five year old who will be starting kindergarten in the fall. I can't wait to meet you all!
