## **SENATORS SUPPORTING THE PRESIDENT – A NICE “CHANGE OF PACE”**

By Steve Bakke  July 9, 2019

It's great having Senatorial leadership support for Trump regarding the immigration controversy and border crisis. Consider these comments:

- “.....illegal immigration is wrong, plain and simple.”
- “When we use phrases like ‘undocumented workers’ we convey a message to the American people that their government is not serious about combating illegal immigration.”
- “I think it is illegal and wrong and we have to change it.”
- .....the American people want their government to be serious about protecting the public, enforcing the rule of law, and creating a rational system of legal immigration.
- People who enter the U.S. without our permission are illegal aliens and illegal aliens should not be treated the same as people who entered the U.S. legally.
- We must create a system that converts the current flow of low-skilled illegal immigrants into the U.S. into a more manageable and controlled flow of legal immigrants.....”
- “.....progress has been made on our borders and ports of entry.....This progress includes.....construction of 630 miles of border fence that create a significant barrier to illegal immigration.....”

I was surprised to hear this enthusiastic Senatorial support for Trump's border policy. It's a nice “change-of-pace.” Wait.....my error.....that was Democrat Senator Chuck Schumer speaking at Georgetown Law in 2009.
