THANK YOU, THANK YOU, PCDS PARENTS!

This was the most exceptional conference we have ever attended!

A few of our favorite sessions were; "Children's mathematical thinking, birth to third grade", "Boys: Changing the classroom, not the child", "Connecting with millennial parents", "The power of critical thinking and the great outdoors", and many, many more. There were stimulating conversations about the workshops attended at our wonderful faculty dinner. Teachers have already begun to implement what they learned, and will share more information with one another at regular Tuesday staff meetings. We all fell in love with the music, food and fun in Nashville and have returned refreshed and inspired. THANK YOU for making it all possible!

Welcome to our Newest Baby!

AMAZING Full Time Nanny Available

Our amazing nanny, Ann Voisin has been a part of our family for the last eighteen years. Our children are now grown and in college and high school. We are looking to find her a new family with whom she can grow with.

She is the most trust worthy, kind, generous, caring person I have ever met. She is very flexible and accommodating. She is wonderful with children from infants to teenagers. She will play with your children, take them to school, activities, appointments and prep their meals.

We feel blessed to have had her help us raise our children. She will always be a part of lives and we hope she can find a family that will love her the way we do.

Please call Ann Voisin [347-893-8838](tel:347-893-8838) or Christina [917-951-4360](tel:917-951-4360) for reference

Holiday Express returns to the New-York Historical Society this holiday season, reimagined to celebrate the 100th birthday of Busytown author and illustrator Richard Scarry.

November 1, 2019 – February 23, 2020

The installation showcases artwork and graphics of Scarry's characters (like Huckle Cat and Lowly Worm!) from publisher Penguin Random House alongside Jerni Collection toys. Children and adults can also experience dynamic displays exploring the workings of the railroad, the services it provides, and the jobs required to keep people and goods moving. *(Curated by Mike Thornton, associate curator of material culture)*

Children hop on our custom-made Busytown vehicle-themed benches and take photos throughout the gallery with Busytown characters. Also: Pick up an "I Spy" scavenger hunt at the 77th St. entrance and take your whole family on an adventure through the exhibition.
