

Natalie's Penguins!

Natalie loves to watch the penguins dive into the water.

She is watching 8 penguins standing on the edge of the iceberg.

The penguins like to dive into the icy water.

Roll the dice to find out how many penguins dive into the water.

- Record what happens: $8 - 3$ makes 5 penguins left on the edge of the iceberg.
- Prove it! $8 - 3 =$ because $3 + 5 = 8$
