Regional level teams will play all regular season tournaments at the Westwood Sports Center and two travel tournaments to the Mizuno LOVB Challenge Series in Quad Cities, IA. And three larger travel tournaments (Rockin' Rockford, Peoria Power Play, and Diggin' in the Dells). We try to keep these teams to a maximum of ten athletes. These teams will practice one or two times per week. (Typically, one practice during the week and one on Sunday afternoon if they do not have a tournament) The Diggin in the Dells tournament will end their season. All 13u-18u athletes begin at this level. During tryouts and December practices we will evaluate interest and ability to see if we will have any national teams.

*This level of play is available for ages 12u – 18u

National teams will play in some Westwood tournaments, the same 3 travel tournaments as regional level teams, the LOVB challenge series in the Quad Cities, and will also travel to AAU or JVA regular season tournaments. National teams will build their May and June tournament schedules after forming in December. Schedules will be based off what is best for all members of the team. Cost of May and June Tournaments will be split between all athletes on the team. This team's season ends at the AAU National Championships in Orlando, Florida at the end of June. Full commitment to all tournaments, including the tournament in Florida at the end of the season will be a requirement to join a national team. National teams will practice a minimum of two-three times per week. (Twice during the week and once on the weekend if no tournament is scheduled) To be considered for these teams you must check the appropriate box on the Athlete Master Sheet and the tryout registration form.
