A Silent Auction will be held to benefit Kids' Chance of Kentucky, Inc.

Imagine being a child again, but this time your dream of obtaining a higher education is shattered when your loved one's (parent or guardian) life is suddenly changed and/or taken as the result of a serious work-related accident. The sole purpose of Kids' Chance is to provide scholarship opportunities for these children between the ages of 16 and 25.

All donations are welcomed- one hundred percent of donations are applied directly to scholarships as all overhead (accounting, banking, legal, etc.) services are donated/volunteered. **Please consider donating an item for the silent auction or donating directly to Kids' Chance of Kentucky, Inc.**
