## A MESSAGE FROM PASTOR ROBERT.....

Brothers and sisters in Christ,

Though this may be an exciting time for us as we begin our move into the new fellowship hall this month I want to remind everyone that this past Wednesday February 26th we celebrated Ash Wednesday and officially kicked off Lent. So if there is any joy or happiness of any kind in your heart it is time to dispel it. Lent is a time of preparation and mourning as we join together to focus on our own guilt, misery, and participation in Christ's death. Let the fun begin!

Here at Burke Lutheran as we give up not only the word "ha&#39;\$ah" (sorry printing of this word in it's fullness is not allowed until Easter morning) there will also be absolutely no smiling or any other expressions of joy. To help in this process you are encouraged to stay away from all small children and/or house pets since their cuteness levels are way too high and produce far too many smiles. Please refrain from telling jokes, and definitely do not watch any comedic movies or TV shows. If you do need to watch anything only watch things that would fall under serious minded religious, historical, true crime, political documentaries, or dramatic movies like Dodgeball: A True Underdog's Story. Only things that cause severe frustration, anger, pure logical thought, or depression are considered appropriate. If you find yourself at work or at a friend's house and you feel a smile beginning to crack upon your lips due to the process of actually enjoying one's self, quickly get up and run from the room before those good feelings begin to

spread. Do not let those around you cause you to fall into that deep bright pit of sunshine and joy. In honor of this time of pain and sadness I invite you to join me in misery as we spend the season of Lent focusing on the historical religious movements that have shaped this country. 1st Great Awakening, Abolitionists, Mormons, Ghost Dance, Civil Rights, and the Televangelist/Mega Church movement. It is my hope that through endless sermons explaining these topics through dry regurgitation of facts devoid of insight and tools of how we can use these topics to better understand and engage the world we live in I will be unable to keep those in attendance from keeping their eyes open. After worship in the spirit of Lent we plan on locking everyone in and forcing them to eat soup and sandwiches while we talk further on these terribly boring subjects, please join us.

Since I am Lutheran and do believe in grace, our worship committee has decided that three smile-like twinges per person will be tolerated during Lent. All those who exceed their quota must sit in the front row during worship for the remainder of Lent.

Peace and Blessings,  
Pastor Robert

## BUILDING UPDATE

If things go as planned we take possession of the new building on Friday, February 28. There are lots of little things to get finished in the new building but the end is in sight!

We will be having another moving day on Saturday, February 29, beginning at 9am for all who are able to help. March 1st will be the last service held in the sanctuary before it is prepped for moving. Following that service we will need some help moving last minute items from the sanctuary to the new building.

Lots of things have already been moved and we will now be starting the process of getting things put away and organized. The picture shows the new Fellowship Hall where everything is currently being stored. Everything will be moved in order for us to hold Lenten ser-

vice on Wednesday, March 4th.

The next phase of the building project will be the demolition of the old education/office portion of the building, followed by the moving of the sanctuary.

The move of the sanctuary is dependent on the weather. With our warmer winter, the ground might not be frozen enough to move the church. Which means we might have to wait until the ground dries up enough in the spring for the move.
