New Classes starting in May!

For 24 month olds to 11 year olds!

About EPIC Kids Classes: Welcome to our new EPIC Kids Soccer Classes! We have a brand new curriculum and can't wait to share it with you and your children. The program will offer classes for Pre K kids as well as kids as old as 11 years of age! We will only allow up to 12 kids per class. We have developed a progressive program that will take the itty bitty beginner all the way through their early playing years. As the kids progress in age and skill we will have a class that fits their needs. The older kids sessions are designed to be skill building soccer sessions. The Junior Strikers and Strikers classes will be great as a stand alone program or one that can be used to supplement a player to develop more technical soccer skills. All sessions will consist of 30-40 minutes of class instruction and games followed by a 15 minute small sided soccer game. Please see our class descriptions for more details about class goals and objectives. In general, classes are intended to improve small group learning skills, motor skills and soccer skills in a fun, positive environment.
