

# ERETZ ISRAEL - 1948-2015

## A RENDEZVOUS WITH PROPHETIC DESTINY MODERN DEMOGRAPHICS OF THE PROMISED LAND IN THE LAST DAYS

The purpose of this illustration is to show a 'snap-shot' of the current facts and figures of the modern nation of the Earthly People of YHWH. Israel has been exiled 3 times in the past, The 10 Tribes with the Assyrians, Judea with Babylon, and then Judea again by the Romans. GOD declared in the Bible that He would gather Israel for a final time. Some Biblical scholars suppose that 1948 began the countdown to the culmination of Biblical Prophecy. Christians believe that the last Diaspora was due to the Nation as a whole rejecting Jesus of Nazareth as Messiah. It appears that a trend has been set in motion. Prophetically, the Nation was re-borned, it recaptured the Temple Mount; it is now ready to rebuild the 3rd Temple. Lastly, modern Israel seems to have a rendezvous with Christ as it was told to the Prophet Daniel, in the Last Days Israel will go through 'Jacob's Troubles' a time of testing and judgment. i.e., the Tribulation.

### 2014 - 2015

The basic premise of this illustration is to point out that, based on the prior dates of 1948 and 1967, a pattern seems to corresponded to the year 2014-15, when applying the phi ratio. Only since 1948 have the Tetrads of 1949-50, 1967-68 and the 2014-15 have had or will have a total of 4 consecutive Blood Moon Eclipses (Tetrads). In the prior 2 Tetrads of 1948 and 1967, each occurred near the season when prophetically, Israel was re-born and Jerusalem re-captured. Perhaps something profoundly prophetic will happen during this time of 2014-15 regarding the 3rd Temple that is foretold to be re-built in the Books of Daniel and Revelation.

### DIASPORA

Ever since the Babylonian Exile (~536BC), the Jewish Nation had been a vassal state of subsequent Empires as described in the Book of Daniel. To some degree, Israel or Judea was known as either a province or territory but Israel as a sovereign nation did not exist until 1948.

A unique association of 1948 is the prophecy of Ezekiel 4:3-6. It states the exact amount of years, 430 that GOD's People would not have sovereignty of the Land of Israel.

Based 360-day Lunar Calendar  
Adjusted for solar calendar  
= 2,484 years  
From 536BC + 2,484 years = 1948

Following is a simplistic calculation of what it might come out to be. There is a 430 years punishment-Exile foretold that ironically also mirroring the Jewish captivity and exile in Egypt.

### UNITED STATES OF ISRAEL

What is unique about the Jewish Diaspora is that Jews come from a variety of ethnic mix & familiarity from a majority of Nations. It appears that the USA has played a vital role in the harboring of the bulk of the Jewish population. At least half of the entire Jewish population resides in the USA. What the USA will look like in 2015 remains to be seen if such a support & ally will be there. According to Prophecy, it will not be available.
