### **RM Equipment introduces financing solutions for MILLRAZOR Canadian Customers**

BONNERS FERRY, IDAHO, August 22, 2014: Erik Skeen, President of RM Equipment announced today, an association with RCAP® Leasing Inc., to provide lease and lease to own solutions for MILLRAZOR'S Canadian customers.

“Working with RCAP Leasing provides greater flexibility for both government and private sector customers to acquire MILLRAZOR from RM Equipment, with financing terms that meet the needs of our Canadian customers. We are pleased to collaborate with RCAP Leasing, which operates one of Canada’s longest-serving and most-respected equipment financing businesses” commented Skeen.

#### **About MILLRAZOR**

MILLRAZOR is an innovative grader mounted reclaimer/blending/conditioning tool manufactured by RM Equipment, BONNERS FERRY, IDAHO.
