Monday

MMS Chopped: Ms. Silva

Do you have a green thumb? Do you want to learn how to plant and produce nutritious food? Watch your skills blossom! In this class you will learn how to tend to our MMS Garden. We will cover skills regarding proper tool use and planting techniques. We will also learn about nutritious habits and types of fruits and vegetables that may flourish in our garden. You will be able to plant your own indoor herb garden as well. Be creative and compete in Cooking competitions as in the Food Network show “Chopped” using our fresh garden produce. **Where: Room 278**

Footprints: Ms. Verona & Ms. Hesse

The footprints club is a program where students from Maplewood Middle School team up with a kindergarten class at Tuscan Elementary. Our students travel to Tuscan every two months or so. Together we read books, work on a special craft, talk with one another and even share a snack! **Where: Room 287**

English Buddies: Ms. Parks

There are new kids at MMS every year. There may be a few in your own classroom. Some may not understand English, and YOU can help them learn! You can be a “language buddy” to a classmate or any other kid in your school. Kids learn a language faster when they play and talk with other kids. So, join Language Buddies to find out ways to help the English language learners at MMS feel more comfortable and make new friends. Plus, there will be snacks! **Where: Room 129**

MMS Fitness: Mr. Mantas

With constantly varied, high intensity functional movements, MMS Fitness will coach students of all shapes and sizes to improve their physical well-being to prepare them for 5Ks and OCRs (Obstacle Course Races). **Where: Ricalton Gym**

Adventurers: Mr. Palmgren

Role Play as a famous adventurer seeking clues and mystical items while battling evil villains to save the world! Gain and use knowledge of mythology, history, and geography to outwit opponents, solve ancient puzzles, avoid dangerous traps and acquire fantastic powers! The fate of the universe is in your hands! **Where: Room 156**

Monday continued...

Chess Club: Mr. Berezny

Beginners will focus on the rules of the game and basic strategies. Advanced students will dive deeper into positional chess, evaluating their chess positions on the board, learning about defensive strategies, and will focus on developing an offensive plan by thinking ahead. **Where: Room Room 290**

Wednesday

MathCounts: Ms. Amaral

Is math your favorite subject? Do you love a challenge?! MathCounts Club may be the right fit for you! Join our club to work through fun and challenging math problems, create videos and art relating to math problems and even enter math contests for prizes! Come out and let out your inner “Mathlete!” **Where: Room 280**

Movers: Ms. Williams

Do you like to make up dances with your friends? Have you ever wanted to take a dance class? Do you like creating hip hop dances with your friends? Or maybe you like to ‘Step’ and rap. Or maybe you are a dancer who takes dance class but you’d like to choreograph your own dance? Learn how to dance, create dances, work with peers from all grades to empower yourself. Then this is the Youthnet After-school program is for YOU! Come celebrate the power of dance, movement, and community with your own ‘peeps’! “You are Somebody Special!” **Where: Ricalton Gym**

Model UN: Ms. Hansen & Mr. Kaplan

If you like finding solutions to global issues, learning how people live around the world, and communicating with students around the country and world, Model UN is the club for you! Join us to find out more. Come join us this year and become a voice of change! **Where: Room 17**

Fantasy Gaming Club: Ms. Wegbreit & Ms. Silva

In this club, we will play any game you can think up — from Magic to Pokémon to Exploding Kittens to Dungeons and Dragons and even Fantasy Sports (such as Fantasy Football), and much more! You are welcome to bring your own cards or games to teach to your fellow club members. We could even try to create our own game. The possibilities are endless, so join today! **Where: Room 281**

Wednesday continued...

Minecraft: Ms. Ellis

If you like playing with Legos and have a great imagination then Minecraft is for you. Minecraft is an open-world game unlike any other. Players are placed in a borderless, randomly generated land with no supplies, directions, or objective. Objectives are imagined by players, allowing them to create their own virtual world, mining materials and building tools. This game help with focus, flexibility, organization, planning and time management.

This club only has 16 spaces so sign up early! First come, first serve! **Where: Library Computer Lab**

Mehndi Club: Mrs. Sebastian

The Mehndhi Club will meet to learn, practice and enjoy the art of making mehndi designs. Basic instruction will be given for beginners. Students will learn about the different occasions when mehndi is used and the symbolism behind the motifs. Come and have fun learning this unique art form! **Where: Room 287**

Thursday

MMS Endurance: Mr. Graham

MMS Endurance is an awesome way for you to get in shape! This club is perfect for students interested in Cross Country/Track and Field, those wanting to condition for other sports, and those who just want to release some energy. MMS Endurance also serves as the perfect counterpart for students preparing for 5Ks and OCRs through the Fitness club. We are open to students of ALL fitness levels, including beginners. You will be coached by Ms. Graham, who started running and hurdling in Track from 7th grade through college. Let’s challenge ourselves, get moving, and have lots of fun! **Where: Ricalton Gym**

Real Talk Club/SOS: Mr. Stoudamire

Learn How to navigate this world. Empowering Students to be effective leaders through conversations decision making and modeling behavior.
