DESCRIPTION: This is a nice little Shakespeare Sierra short hunting bow. Great looking and performing recurve. The economical Sierra performed as well as its big brothers. Bow has no delamination; no cracks; limbs are straight. Maple overlays have been added to the tips for beauty and support, especially if you want to use a Fastflight type string. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; The limbs are a bit worn but still in solid condition. A few minor scratches and nicks here and there. The decals are faded and barely visible. Overall, this is a really nice bow in excellent condition for its age.
