Sign Specifications

The DPW will install a sign designating each adopted section of roadway. The sign is intended to identify and recognize adopters, and to promote the Adopt-A-Street program, not to be an advertising or political forum.

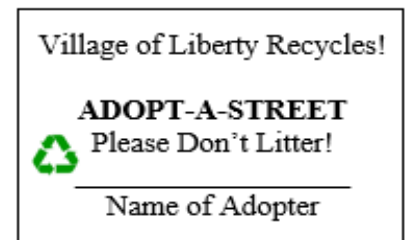

Therefore:

- Only the actual name of the adopter will be included on the sign. No business logos, slogans, telephone numbers, addresses, titles of elective office, or statements will be permitted. Exceptions will be made for in memoriam statements using the following language: "(Adopter name) in memory of (name of deceased)".
- The DPW will have sole discretion regarding the size, color, design, text and placement of Adopt-A-Street signs.

In the space below, print the name that you wish to appear on the Adopt-A-Street sign if your application is accepted: _____
