

PRODUCT DATA SHEETS

B-1 FOGGER – TOTAL RELEASE FOGGER

DESCRIPTION

B-1 is a total release fogger for total odor control. It is not a masking agent but a true odor neutralizer that oxidizes and counteracts smoke and fire odors as well as sick room and skunk odors. It eliminates cigarette, cigars and other musty odors by its ability to penetrate every crack and crevice.

Available in two fragrances: Sunbeam and Mountain Breeze

FEATURES

- **EASY TO USE**
- **TOTALLY EFFECTIVE**
- **NON-OZONE DEPLETING**

USE AND DIRECTIONS

This product will effectively deodorize 6,000 cubic feet of unobstructed space. Close windows and doors and turn off fans and air conditioners. **Extinguish all pilot lights and other open flames.** Place can on a raised surface such as a table or stool near center of area. Spread paper under can to protect area directly underneath nozzle. Turn cap upside down and lock on – this will start the fogging action. Leave area at once. For best results, leave treated space undisturbed for a minimum of two hours. After treatment, allow area to ventilate for 30 minutes. Use anywhere odors are a problem.
