## Congratulation on your retirement!

The Retirees Association of Suffolk Community College wishes you a happy and comfortable transition to this new state of being. We would like for you to accept our gift of one year's free membership in our organization. We have formed this group to encourage retirees

to remain connected to the college and to sponsor events on and off campus for socializing with former colleagues. We provide information about changes in your benefits. In addition we seek to provide a forum for retirees to express their concerns to the college and political representatives. This is a group that provides opportunities for retirees to volunteer their time and talents to support the SCC Foundation, Inc. in its activities to promote the college.

Sign up now for our newsletter by filling out the membership form to the left. To view our newsletter and for information about upcoming events contact our web site: [www/rascc.org](http://www/rascc.org).
