

GETTING STARTED

- Download the Libby app from any app store (it's free!)
- Choose Sherrard Library (OMNI)
- Login using your library card number and PIN (the last four digits of your library card number)
- Use the search engine to locate thousands of free e-content for all ages

Some devices may not be compatible with this app. Instead, click the Libby link on our website to access e-content on your computer.

- DOWNLOAD
- PLACE HOLDS
- HELPFUL HINTS

DOWNLOAD

- Use the search function to find e-books and e-audiobooks OR click "Explore" to search for items by categories
- Click "Borrow" to checkout
- Once your item is checked out, you can select "Shelf" to find it under "Loans"
- Checkouts can be read offline using the Kindle app, or within Libby
- Items are available for 14 days, and can be returned early or renewed by selecting "Manage Loan"

PLACE HOLDS

- Select "Place Hold"
- Libby will provide an estimated timeline for your wait
- View holds by selecting "Shelf" and clicking "Holds"
- Once your item is available, you will receive a notification that your item is ready for checkout
- Cancel or suspend holds by selecting "Manage Hold"

HELPFUL HINTS

- Forgot to "Return" your item? No problem! Libby will automatically remove the e-book from your device and the app never charges fines.
- E-audiobooks will display a headphones icon under each cover
- While reading, use the icons at the top to increase text size, add bookmarks, and more!
- Track reading history by clicking "Shelf" and viewing your "Activity Timeline"
