

MCE's clients are at the center of everything we do and we are proud to share the relationships we build. Read what they are saying about MCE's services and people.

*"MCE's thoroughness and dedication to the ultimate biosafety and success of the end-users were apparent in the work produced."* Jeff Serle, Sr. Vice President, Germfree Inc.

*"Ms. Ellis has always provided excellent and practical solutions to enable research in a safe environment. The result has always been the completion and certification of a safe and workable containment facility."* Bruce Anderson, Director, Occupational Health & Safety, University of British Columbia.
