

SCOOP

It's a heavenly dream
Frolicking by the sea
Salty lips and
Sultry mermaids

She's not a city girl
So don't you even try
To put her up in some
High skyscraper

Rather curl up
In a cozy cottage

When the cowbells ring
And the robins sing
You know you've entered
Earth's good nature

In this happy home
With dapper garden gnomes
Snuggled up by the
Hearth & fire

And that's the scoop from
Coast to country
