Can you believe that it is SI Washoe County's 14th year serving the community?

Thank you to all the current and past members for the time, love, and commitment you've given over the years. Along with you and the support of our community, we have made a great impact on the women and children in Washoe County!

I am excited to be the new president for SIWC and I am looking forward to continuing the success of our club through the meaningful projects that will accompany the 2019-2020 year.

The new board members that are joining me this year are Juanita Hluchan, Vice President; Chris Wells, Treasurer; Jeanne Hill, Secretary; and Sharon Blake, Delegate. Each one of them is an amazing woman, and together we are looking forward to leading the club to a successful year.

My theme this year is "Be the Sunshine." I feel that it is our mission to make lives brighter and better for those whose light is dim.

My vision for the upcoming year is to focus on modifying some of our current service projects to fit the needs of the ever-changing community that we live in. We will be meeting in July at our annual retreat to work on our strategic plan and to update our projects. My hope is to touch the lives of as many women and girls as we can by supporting projects that benefit the individual. If you would like to join us in this venture, please reach out and come make a difference with us.

Kristin Setty
SIWC President
