We simply don't sell females out of the Crown Jewell line, we hoard them for ourselves! Many of you know the impact 23 year old Crown Jewell, her daughters and granddaughters have made on our farm. Last year we sold our best young female "MSF Purple Reign" at the MLM sale and she became the top selling female at auction from the past 10 years. We've decided to sell our best prospect again this year. You may recognize Olivia who graced the cover of the "American Llama Magazine" issue as well as Miss January of that magazine's calendar. Her dam, Opal is also the dam of "MSF Covergirl" (LFA Champion) and well as "MSF Made You Look" that we sold to Deb Ignacio and "MSF Jasper" that we sold in our Diamond Anniversary Sale to Eugene Robinson for a future stud. Make sure you are in the seats or on the phone when MSF Olivia comes through the sale ring.
