## **February Tournaments**

### **Havoc 2022**

The Havoc 2022 team played 2 Cap City tournaments this month in which they faced one of the toughest schedules thus far. Although they finished the month with a 2-4 record, progress was made. The theme in both tournaments was to ignore the record and understand they competed and were in games versus some of the area's top teams. "Our day will come".

### **Havoc 2023**

The Havoc 2023 team had a big win this month versus the Elkton Eagles 45-19. Similar to the 2022 team, the schedule was not very kind. Having a month of playing against the top teams in the area but the 2023 team if not anything is resilient. Here what Coach Browning had to say "We took the ball to the hoop and had 28 rebounds. Rebounding makes all the difference! We did a much better job of pressuring the ball as soon as it crossed half court. However, we could have cleaned up our shot selection."

## Havoc 2024

The 2024 Havoc Team has continued their progression of executing on fundamental basketball skills such as passing and moving without the ball. The competitiveness of the team has been observed in many of the February tournament games with the focus to turn that competitive spirit into some Havoc wins. The team is looking forward to the March tournaments.

## Havoc 2025

The 2025 only had one tournament in February, so they team has been focused on integrating new players, **Solayla, Madeline, and Ruby** into the team. We continue to work hard each day in practice and can see vast improvements on the court. \_

## Some Winter Middle School Champions for some Havoc Girls

**McKenna Mueller (#32)** of the 2022 team and **Kaitlyn Norman (#25)** of the 2023 team helped the New Kent Lions win the District Championship. Norman sustained an injury in the game and we all wish her a speedy recovery. Congratulations to both girls.

Congratulations to **Sierra Coppage (2023)** for leading her team, Our Lady of the Lourdes, back from a 9-0 deficit to win the St. Gertrude's Championship 21-19 in overtime.

## Havoc High School Girls Shine

Congratulations to **Kelly Ayers (Atlee)** and **Carmen Betts (Glen Allen)** for their post season accomplishments. Ayers was 2nd team All-Conference as a Freshman while Betts finished with Honorable Mentions for her stellar play this High School season. Ayers has been with Havoc since day one of its existence while Carmen has played the last three seasons. Both girls are great examples of what hard work and dedication can do.

## Mia Betts the Artist

The intelligence and versatility of Havoc players are never short of amazing. Here is one example of versatility. Mia Betts, a point guard from the 2022 team, won a gold and silver award for her artwork. Mia entered the regional Scholastics Art and Writing competition. Among 3,200 entries, Mia's artwork received two awards. Her drawing of a stick won a Silver Key. Her "I Am Dorothy" sculpture won a gold key. Gold Key works will automatically advance to national judging. National Medalists will be announced on March 13th. Congratulations to Mia!

## Big Sister/Little Sister

The Havoc 2022 and Havoc 2025 joined together for the first big sister/little sister joint practice. Each player from the 2025 team was assigned a big sister from the 2022 team to work with in practice. They ended practice playing together in some 2 on 2 versus the other sister groups. It was a great time by all and something we plan to do again, as well as recreate with some of our other teams.

## Havoc Cares

Our Havoc Cares committee is working hard to provide the girls with opportunities to work in the

community.

On

Tuesday, March 13,

Havoc 5th, 6th & 8th teams will participate in a community service project to support Hanover County children through Atlee Action Packs. AAP is a program that helps prevent weekend hunger, by discreetly providing students-in-need with weekend meals and snacks in their backpacks each Friday, before they leave school. It's still time to jump in a fill a slot for a very worthy cause, here is the link. <http://www.signupgenius.com/go/70a0b45a4a922ab9-havoc1>  
Our 7th grade team will get the first opportunity to work with Adopt a Road. We will adopt the area on Atlee Rd. between Kroger and Rutland. The great part of that area is sidewalks line that road to keep our kids safe.

Many more opportunities are coming in the future as we look to have these girls grow as much off the court as they do on.

## Did you know??

We have 6 biological sister combos on our Havoc teams.

*Carmen (HS) and Mia Betts (2022)*

*Shemaiah (2022) and Michiah Young (2024)*

*Campbell (2022) and Kaycee Doughty (2024)*

*Jolena (2023) and Carolina Goldkuhle (2023)*

*Bennett (2023) and Kate Carlton (2025)*

*Ava (2024) and Sarah Olson (2025)*

With our recent tryouts for the High School and 4th Grade teams, we could be adding a few more.

## Open Gym is Returning!

We will resume our open gyms starting Tuesday, March 6th, at Hanover Academy. Open gyms are available for all of the Havoc players from all age groups who want to work on skills as a group or get some shots up on their own. We plan to finish with pick up games. We host these each Tuesday night, 6-8pm. Hanover Academy is located at 117 Frances Rd, Ashland, VA 23005. I hope to see you all there.

## Saint Joseph's Villa

Saint Joseph's Villa will be closing down temporary while the facility gets a five million dollar makeover. We, during that time, will not be able to use the facility for our practices. We will, starting in April, be at Hanover Academy Tuesdays (Open Gym), Wednesdays (2023), Thursday (2024), and Fridays (2022). We will still be using Hanover High on Sundays and Shady Grove for the 2022 team on Mondays.

## EHS Sports Camp

Camps are a great way in the summer time to stay on top of your game. One camp that would be a great bonding experience is the Episcopal High School Camp in Alexandria, VA. It runs from July 29th through August 1st for kids 8-15 years old. For more information and an personal experience please contact **Andrew Goldkuhle** [havocbasketballtreasurer@gmail.com](mailto:havocbasketballtreasurer@gmail.com) . Here is the website link as well.

## Havoc Board: Night at The Stu

The Havoc Board and their wives got a much needed night out thanks to Coach Stewart. Coach Stewart invited the board to a 'Nights at the Stu' event that took place at the Seigel Center.

Food, drinks, and the Casino was taken full advantage of. Thanks to Coach Stewart for a wonderful evening.

For those new to Havoc, the board consists of the following individuals:

**David Ford - President**  
**Brandon Mayhew - Vice President**  
**Mike Leonard - Director of Girls Basketball Operations**  
**Rebecca Mayhew - Secretary**  
**Andrew Goldkule - Treasurer**  
**Richard Stewart - Director of Facilities/Consultant**  
**Paul Baitinger - Webmaster**

This group puts a lot of time in away from the from the court to assure that these operations run smoothly and these girls have the best opportunity to succeed on and off the court. Thanks for all you do Havoc Board Members!

## **March Birthdays**

**Morgan Flowers (2022) March 15th**  
**Kate Lindley (2024) March 28th**

## **Havoc High School and 4th Grade Teams**

Now that the area High School's season has concluded, the Havoc high school team is being assembled and will start playing in March. We are also adding our 4th grade team that will start practice under the leadership of **Coach Kristin Clay**.  
Looking forward to seeing these girls take the court.

## **Help Wanted**

We are always in need of help from our parents. The biggest need would be someone to take on the fundraising job for Havoc. If you are interested in giving a few hours of your time, please reach out to **David Ford** [dfordva@gmail.com](mailto:dfordva@gmail.com)

## **News to Share**

If you ever have anything that you think should be shared in this newsletter, basketball related or otherwise, please email the information to **David Ford** [dfordva@gmail.com](mailto:dfordva@gmail.com)  
Thanks and have a great March!
