## **Morgan Pool - 2020 Swim Season Opening May 28<sup>th</sup> – Check website for changes Temporary Covid-19 restrictions apply.**

**DISCLAIMER - Enter the Morgan Pool at your own risk. For the full amenity policy, please see our website or next to the Morgan Pool gate.**

Although COVID-19 is still posing a threat to everyone, it has become clear that people need to take their safety into their own hands. We have residents who are still avoiding crowds and others who want to go back to normal.

This Association is a non-profit Corporation and as such, we are obligated to follow CDC Guidelines for Commercial Pools. We hope to get back to normal next year. Please be kind to your neighbors by following the rules.

1. Capacity limit of 50 people inside Morgan Pool. Gate will be closed once capacity is reached and will open again as people leave.
2. Only 1 guest will be allowed to ensure Southwyck Section IV HOA residents have priority.
3. To decrease chances of virus infection, it is recommended that no toys are brought to the pool.
4. Lifeguards will not be disinfecting furniture – this is your responsibility.
5. Lifeguards will not be enforcing masks – this is your responsibility.
6. Bathrooms have limited air circulation – it is your responsibility to maintain safe distance.
7. Water fountain will be closed, please bring your own water bottles.
8. Cards are NOT transferable. You risk forfeiting your card activation for the season by violating this rule.
9. Parties are NOT allowed.
10. Delinquent properties usually have their cards de-activated but this season this rule will NOT be enforced.

If you are a resident in Southmanor, Edgewater Estates, Southfield Village or Huntington Park and your card worked in 2019, your card should work this year as well.

**LIFEGUARDS WILL NOT PERMIT ACCESS TO ANYONE WITHOUT AN ACTIVE POOL CARD.  
NO EXCEPTIONS.**
