

To whom it may concern,

This letter serves as a recommendation for Tiffany's Tiny Tots Daycare owned and operated by Tiffany and Tom Dwyer.

As a working father, it's hard to find a place that can provide a comfortable and secure environment; however, I found that place with Tiffany's Tiny Tots Daycare.

My daughter attended Tiffany's Tiny Tots Daycare from November 2011 through June 2015. While in Tiffany's care, she learned everything from her ABC's, numbers, letter and number recognition to opposites and same, shapes, music, art appreciation, dance, etc. She also learned life enhancement skills such as sharing, patience, understanding and love. Tiffany creates an environment where children have fun as well as develop wonderful relationships with learning and with each other.

Tiffany and Tom have become such an intricate part of our lives, I attribute so much of my daughter's growth and excelled development to Tiffany's Tiny Tots Daycare, I would recommend it to anyone who is looking for the very best care for their child.

The love and patience provided by Tiffany makes us realize how lucky we were to have found a place we can still call our home away from home. You will not find care like this anywhere else. I'd highly recommend Tiffany's Tiny Tots Daycare, you're guaranteed to receive the type of care you would give your child.

Thank you Tiffany and Tom Dwyer for providing an amazing childcare experience for my family.
