Re: Association of Texas Real Estate Inspectors - #10339

Association of Texas Real Estate Inspectors is approved as a CE provider for a two-year term. A renewal notice will be sent to you 90 days prior to the expiration of this two-year term. Failure to receive a renewal notice does not relieve a CE provider of the responsibility to timely renew by submitting another CE Provider Application.

The CE provider number given in the subject line above must be used in all advertising.

Approval Date:	May 10, 2019
Expiration Date:	May 31, 2021

CE providers are regulated by Subchapter G of the Rules of the Texas Real Estate Commission and Chapter 1101 of the Texas Occupations Code. TREC approved CE providers and appropriate staff must become thoroughly familiar with the rules and statutes governing the presentation of courses, advertising and recordkeeping.

Section 535.75 of the Rules of the Texas Real Estate Commission provides guidelines for reporting course completion. CE course credit should be posted electronically through the use of the CE Posting System. Courses must be posted no later than 10 days after course completion. Required forms are available on the TREC website at www.trec.texas.gov.

The TREC Advisor is a bi-monthly publication that provides information and updates to Texas real estate license holders, education providers and instructors. Access the TREC Advisor through our website by clicking on the "News & Public Data" tab. Please call 512-936-3000 if you need assistance obtaining this publication.

If you have questions regarding your CE provider approval, do not hesitate to contact an Education Specialist at 512-936-3120.
