

ImmunoSupport Complex

Clinical Applications

- Effective Immune System Support*

ImmunoSupport Complex is an herbal formula that is designed to support healthy immune system function during cold and flu season. It contains herbs that support normal natural killer (NK) cell activity and the balance of cytokines, which are the regulatory proteins released by immune cells as part of a normal immune system response.* The standardized herbs in this formula contain optimal and consistent amounts of the most active ingredients. ImmunoSupport Complex is suitable for long term use and for all age groups.

Discussion

ImmunoSupport Complex is a comprehensive, synergistic formula that combines herbs, mushroom extracts and other natural compounds to help the body maintain a normal immune system response. Some of its significant botanicals include echinacea, astragalus, elderberry, goldenseal and green tea that is standardized to a very high level of its key active component epigallocatechin gallate (EGCg). In addition, ImmunoSupport Complex includes an impressive combination of the immune-supportive mushrooms cordyceps, shiitake, maitake and reishi.

The immune system is an extraordinary, complex system comprised of specific cells, organs and other microscopic immune defense organisms. Together, they make up the defense system that protects the health and wellness of our bodies on a day to day basis. An essential part of a strong immune system requires a healthy digestive tract consisting of beneficial gut microflora. This exceptional formula contains the herb Arabinogalactan, also known as Larch tree, which has a significant effect on enhancing beneficial gut microflora, specifically Bifidobacteria and Lactobacillus.

The standardized herbs in ImmunoSupport Complex contain optimal and consistent amounts of their most active ingredients. This immune support formula is extremely effective and safe, and is suitable for both acute and chronic applications. It is also appropriate for all age groups.

| Supplement Facts | | | |
|---|---------------|--|---------------|
| Serving Size 4 capsules | | | |
| Servings Per Container 30 | | | |
| Amount Per Serving | % Daily Value | Amount Per Serving | % Daily Value |
| Echinacea (<i>Echinacea angustifolia</i>)(root) [standardized to contain 4% echinacosides] | 600 mg * | Arabinogalactan (as ImmunEnhancer SM) (<i>Larix laricina</i>)(larch tree) | 100 mg * |
| Astragalus Extract (<i>Astragalus membranaceus</i>)(root) | 200 mg * | Lauric Acid | 100 mg * |
| Elderberry (<i>Sambucus nigra</i>)(fruit) | 200 mg * | Cordyceps mushroom (<i>Cordyceps sinensis</i>) | 50 mg * |
| Andrographis (<i>Andrographis paniculata</i>)(stem) [standardized to contain 4% andrographolides] | 200 mg * | Shiitake mushroom (<i>Lentinula edodes</i>) | 50 mg * |
| Green Tea Extract (<i>Camellia sinensis</i>)(leaves) [standardized to contain 98% polyphenols, 45% EGCg] | 100 mg * | Maitake mushroom (<i>Grifola frondosa</i>) | 50 mg * |
| | | Reishi mushroom (<i>Ganoderma lucidum</i>) | 50 mg * |
| | | Beta 1,3 Glucan | 9 mg * |
| | | *Daily Value not established. | |

Other Ingredients: Cellulose (capsule), microcrystalline cellulose, tricalcium phosphate, vegetable stearate, silicon dioxide.

Suggested Use

As a dietary supplement, take three capsules per day with meals, or as directed by your health care practitioner.

Caution

Not recommended for pregnant or lactating women. Keep out of reach of children.
