Welcome! This is a quick guide for participants of the
World's Largest Ghost Hunt!

PURPOSE

Our purpose is to launch off the 1st annual **NATIONAL GHOST HUNTING DAY!**
**Officially registered by [Haunted Journeys](#), creators of this monumental event.*

METHOD

On **October 1, 2016**, NGHD will launch the **WORLD'S LARGEST GHOST HUNT** by having paranormal teams all over the world investigate, at the very same moment, for a 2-hour time slot, no matter where they're located. [MORE INFO.](#)

The **"Shotgun Start"** will happen at **10 pm Eastern Standard Time (EST)** from Scarefest in Lexington Kentucky. Investigations in other time zones (all around the world) must adjust so everyone starts at the same time! [TIME ZONES START.](#)

WHAT'S IN IT FOR OUR TEAM / VENUE?

All participation in the two hour national event is voluntary, both from the Team and the Haunted Property Venue. However...

Be Noticed! By being a part of such a large national endeavor, your information will be included in the publicity that will be generated for the event, which kicks off at The Scarefest in Lexington, KY. [MORE INFO.](#) National exposure for this event will draw people to the website where participating teams and venues will be listed. This in turn can be used locally to promote your organizations. [MORE INFO.](#)

Be Part of a Historical Paranormal Study: A team, as headed by SyFy's Brian Cano & Paranormal Database, will navigate teams thru a large scientific study.

ENGAGEMENT

LIVE STREAMING of your investigation will travel into Scarefest & on the web!

EXPENDITURES

Expenditures are broken down into two categories:

1. **Registration \$20 per satellite (site):** This small one-time fee covers both the Investigation Team *and* Venue (haunted property).

There are costs associated with the set up and promotion of an event of this magnitude. This small registration fee from the teams/venues is needed to help us in meeting these demands & benefits us all. [LINK](#)

2. **DONATIONS: \$10 per spectator attendees**

We encourage you to discuss and arrange how these donations will be transferred to the selected shelter.
