### Dress Rehearsal-June 9th

We will start with the bows on stage. So when your child is done with their dance you may leave.

Please make sure you know what your child is wearing. Everyone must wear costumes at the dress rehearsal. Your child will receive all accessories/costumes at the rehearsal. It is important that all accessories/costumes are returned to the helper in charge of your child's dance after the rehearsal and performance. These are the property of the Dance Center of LaGrange. You will be allowed to videotape at the dress rehearsal standing in front of the stage...no plugs will be available. You will not be allowed to stand and videotape during the performances as you will be in the way of the professional videographer. You may order a DVD using order forms in the lobby. Give completed forms/ checks to your teachers.

### Performances-June 10th

During all performances your child must stay backstage with their helpers for the entire show. Dancers will not be allowed in the theater or to run around during the performances.

### Important Health Information:

We have several children in our dance program who are allergic to peanuts and other foods. We are asking that if you must bring food...that you only bring fruit, veggies and bottled water. No other items will be allowed. Please feed your children before you come. The 3:30 show is 60 mins- The 5:30 show is 90 mins. NO FOOD/DRINK WILL BE ALLOWED IN THE THEATER!!!

**YES...you can still order a leotard, skirt and/or jazz pants if you have not already done so! Please email Robin ASAP. If your child is in tap, we also have tap buckles. These help keep the ribbons from coming untied during the performance.**
