Each team will need insurance, the fee this year is \$125. This coverage includes Medical and Liability at a \$250 deduction and meets our district's requirements for field use while protecting your organization from costs in case of injury. The fee includes the coverage premium and small administration charge. Your insurance payment will be due no later than March 9, 2018. You will receive your policy documents by email as soon as payment has arrived. Please send your check to: Highline Council PTSA at PO BOX 66539 Burien, WA 98166

We're encouraging every team/PTA to consider adding scholarship money to their budgets and we suggest charging \$40-\$50 dollars to cover the increase in costs (insurance, shirts, equipment, etc.). Please do not hesitate to contact Our Chair, Tamara Gough with questions and concerns by email at [tamarag@apevibro.com](mailto:tamarag@apevibro.com).

\*\*\*Please write 'PTA' on your softball forms to take credit for the program and tell your community who to pay when they go to write a check or bring cash. Brand all your PTA programs to increase awareness of the good things you do and also to clearly identify any program that charges a fee.
