

HKCBA Toronto GTA Section – Lunch and Learn Series

Update on Think Asia, Think Hong Kong!

Following the shift of economic focus to Asia in recent years, Canadian companies have been increasingly developing their vision of expanding their business footprints to Asia. Some of them are still searching for the strategic way to move forward.

Please join this special luncheon gathering for the latest update on using the Hong Kong platform as the business hub for Canadian companies to tap the opportunities in Asia - "**Think Asia, Think Hong Kong**". Our speakers will provide the gathering with many "deliverables" - including strategic, efficient and effective windows of opportunity for them to participate in the **Team HKCBA Delegation to the Hong Kong Forum 2018**.
