

Year End Report 2017

This year Sam's Covers donated a total of 621 blankets to kids in the San Antonio area. We also donated 12 therapy blankets to RMYA, 60 pj sets, and 60 bed sheet sets. We experienced almost no growth from last year and we think because we did not send out invitations, we just did it through social media and all of the natural disasters that took place this year around the same time in our area. We donated to the immigration center, RMYA, Hurricane Harvey, Samministries, Haven for Hope, and St. Pjs. Material donated was valued at \$3,458, our fall fundraisers brought in \$1555, other cash was \$5822.24. The food expense made up 5% of expenses this year which was a decrease from 7% from last year. This made our total value for 2017 \$10,835.
