SMART RECYCLING

Current recycling technology and markets can't keep up with our perceptions of what "should" be recyclable.

Here's the info for paper recycling:
YES...paper that we read or write on
NO....envelopes with film windows,
wrapping paper, paper towels,
paper plates, paper cups, napkins,
shredded paper, paper confetti

When in doubt, throw it out.

Pinellas County Waste incinerates trash in the waste-to-electricity facility.

BAY HILLS NEIGHBORHOOD WATCH SPECIAL EVENT....SATURDAY, JUNE 15, 2019

Despite the rain shower, a lively group turned up to see the armored MRAP vehicle, watch "Taco" and his deputy demonstrate Taco's skills, and learn helpful safety and security tips from our Neighborhood Watch deputy, Bo Bauman. The sangria was a big hit, too! Deputy Bauman says Bay Hills is a low-crime neighborhood, but that we should not take that for granted. Enjoy the photos, take advantage of Sheriff's services, and make time to participate in the next Neighborhood Watch event.

Many thanks to Jeff Preising for arranging the MRAP, the K-9 demonstration, and Deputy Bo Bauman's presentation. Thanks to Barb Clark for the refreshing sangria.

**REMEMBER:
WE BEAT CRIME
TOGETHER**

TACO is a Belgian Malinois not quite 2 yrs old from Netherlands. He responds to German & English voice commands but primarily follows hand commands from Deputy Matt. He will hold his target until commanded to release. He had a successful capture the morning of our event.

Deputy Bo Bauman gave us a brief presentation about key Sheriff's services, such as "crime viewer" and "active calls" functions on www.pcsoweb.com. He also reminded us that we can request "house checks" whenever we are away on trips or even for whole seasons. We had a group discussion about phone & internet scams, identity theft, and ways to defend ourselves.
