3rd Grade continued

Dear Parents,

You will find that I have been very particular about certain items. From experience I have found that certain brands are the most efficient, so I ask that you try to purchase those brands when possible.

If you read the Supply List carefully you will notice that I have been very specific with most items - trust me, it's for a reason! We will use everything on the list throughout the year.

Also, please make sure ALL of their items fit nicely into the pencil boxes/bags...it usually takes more than one to fit all of their supplies.

See y'all soon!

Why Crayola? Simply because they are the BEST! We use our markers, colored pencils and crayons a lot and we have found Crayola colors are the most vibrant and durable product out there - they also last longer. Colored pencils should not be erasable - we have found that the erasable ones do not color as well.

Why Ticonderoga pencils? Long lasting, durable, sharpens well.

Why are Tennis Shoes on the list? Some children like to wear other shoes to school - if that is your child it is a good idea to have a pair of tennis shoes that stays at school for gym. Please make sure they are tennis shoes....not cute sparkly, fun shoes that possibly look like tennis shoes.

Pocket Folders - We have found that the plastic folders are the most durable - if you can find them for a good price.

Suggestion - Your child enjoys having a variety of colors to choose from, both in markers, colored pencils(especially) and crayons. We use them A LOT!!!!
