New England Association of City and Town Clerks (NEACTC) and the New England Municipal Clerks Institute and Academy (NEMCIA) are proud to announce learning opportunities and scholarships for NEACTC members! Learning is tough right now; clerks are busy, municipalities are financially challenged, and in person NEMCIA is cancelled for the second year in a row. Yet we know clerks crave professional development, networking opportunities and conversations with other clerks. We are excited to provide some opportunities to our New England members. Please check out the options below and contact us with any questions.

- **Live Webinar:** A **free** webinar to 100 NEACTC members – first come, first serve. This two-hour course is slated for June 18 and will award 1 CMC/MMC point. Watch for announcements from NEACTC about this event!
- **NEMCIA 2021 offerings:** Go to NEMCIA.org and click on “On Demand Courses and Webinars, 2021”. On Demand courses to take anytime, at your own pace. Each \$60 two-hour course worth 1 CMC/MMC point.
- **July Zoom Live Webinars:** Every Thursday 1-3pm, descriptions are on the website [here](https://visioneerlearning.com/pages/zoom-webinars) (visioneerlearning.com/pages/zoom-webinars). Each 2-hour webinar, for \$60 each, awards 1 CMC/MMC point.
