President Andy Manthei called the meeting to order at 6:04pm

1. Old Business:

- a. Board member background checks are still needed. Inetta Graham is the last one to get hers in.
- b. Two hours of volunteer hours will be given to parents who join booster club and come to a meeting. Andy ok's board to put information in Hinson's newsletter the week before the booster meeting. **There was motion to approve the two volunteer hours given out by Brandy Gutchess. Jessica Mason seconded the motion. The motion was opposed by three members. The motion passed.** It was discussed how we track volunteer hours, Andy will keep sign-ups for that. Grace will pull a report of who volunteers in concessions.
- c. We will also be raffling off tickets for athletic events to get more people to attend booster club meetings. Four tickets is the maximum you can win.
- d. Spirit wear sales were talked about. It was brought up that it would be nice to have it on the booster website where you can buy spirit wear and pay for your booster membership. Daniel and Christy are working on that process.
- e. The booster club will be buying two banners to use at all school functions, Inetta will find some and get some pricing. It was also brought up that we could put the signs with stakes on them to remind people on the day of the booster meetings.

2. New Business:

- a. Annual and weekly programs are doing well. The annual sports programs will go out the week after the bye game. Stacey has \$5000 in sponsorships and 15 senior ads so far. Weekly program sales have made a \$34 profit so far.
- b. Inetta is trying to sell spirit wear during school hours, waiting for a return phone call from the school. She is ordering more sweatshirts and wants to sell "Future Chargers" shirts at the elementary schools.
- c. Some sports would like to use the concession stands when they are not in use. The board decided this would be ok as long as the sport brings their own product to use and a board member is present.
- d. Varsity football games concessions are going well, other board members can come and help during games if needed.
- e. Open Discussion: Question was asked if we could put flyers at local businesses to sell spirit wear like they do at Academy and Kroger. Christy will contact the local stores to see if it's possible.
