cccAlert

## cccAlert Emergency Notification

**CLEVELAND**  
COMMUNITY COLLEGE

**cccAlert** is a service offered by CCC which communicates in multiple ways with students, faculty and staff, as well as visitors, local residents, parents, and the news media. The College's goal is to provide a timely notification of a confirmed emergency situation and to provide instructions for taking action, if needed. In an emergency, the College's priority is the safety of the campus.

**Emergency Warning** - An **EMERGENCY WARNING** is issued if there is an imminent, life-threatening emergency such as a tornado warning issued for Shelby, a major chemical spill, or an armed or dangerous person on campus. The emergency sirens will sound to alert people to act immediately. cccAlert will inform the campus as to the nature of the emergency.

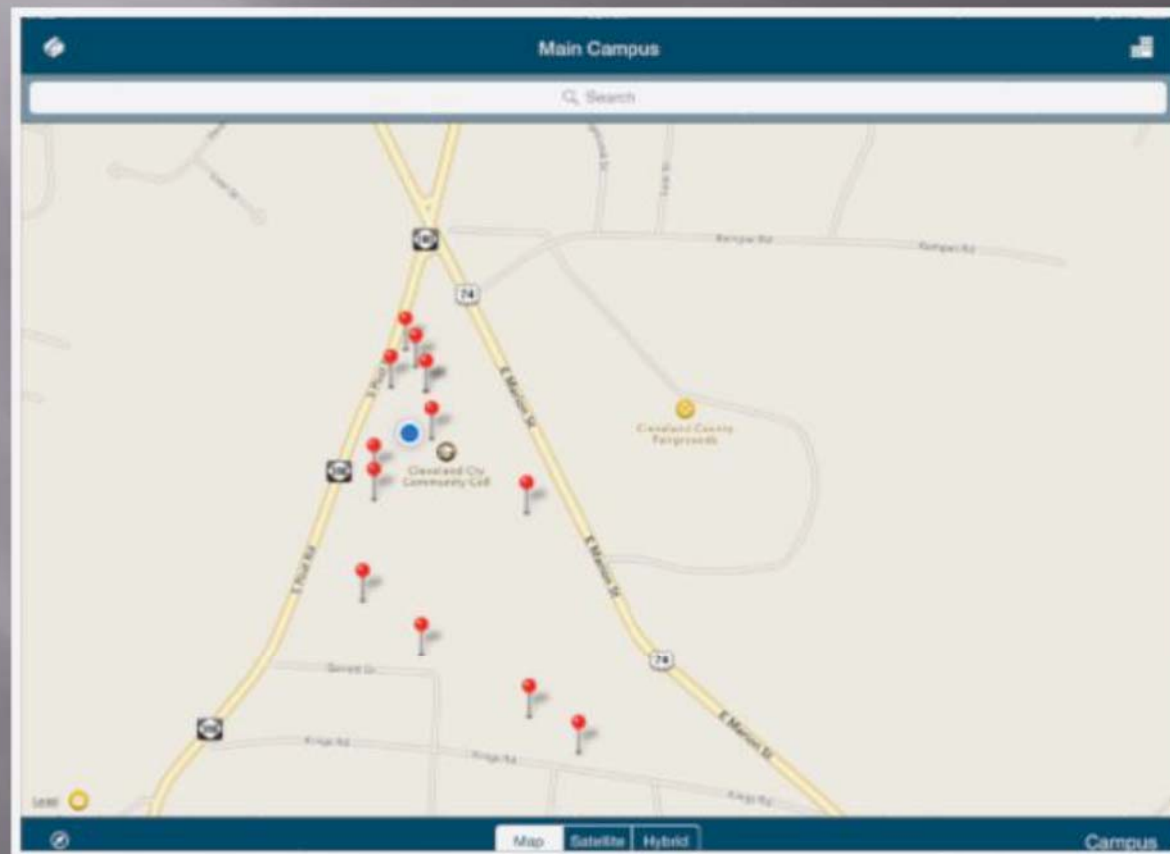

**Action Steps**

1. Siren sounds. You may familiarize yourself with the siren by listening below.
