Q. Where was the 1995 Fall Newsletter?

A. The fall of 1995 took on an unusual twist to say the least. Our copy machine went on the blink, went to Sandusky for repair and never returned. A special meeting was called and we were allowed to purchase a new one. Yes! We were back in business. No, wait.....

Then, our loyal secretarys' heart went on the blink and Sis was rushed to St. Vincent's in Cleveland for Coronary Artery By-Pass Surgery. Unlike the copy machine, Sis was repaired and returned to us. The fact: Good Kelleys Island Stock prevails again.

After several weeks with her daughter Marlene, Sis returned to Kelleys Island for a short stay at Bea's. Sis is now home recuperating and taking on all of her many duties.

In an effort to keep Sis from "over doing it", I will be helping her with the newsletters. Please bear with me, it has been a long time since the early 80s' when I co-edited the "Kelleys Island Home Town News", the monthly newspaper which came to many of your homes.

Enjoy!
