Eat Like a Local

Recipes from yesteryear and today, author, Marci Lynn McGuinness, brings you her 40th book, *Ohiopyle Cookbook, Eat Like a Local*.

McGuinness has taken recipes from her books, *Nanny's Kitchen*, *The Deer Hunters Guide to Success* and *Natural Remedies, Recipes & Realities*, and added more of her own recipes.

“Marci’s Health Notes” offer alternatives to white sugar, flour, shortening and more in Nanny’s traditional recipes.

Recipes from the LOCALS are rolling in and will be included to bring you an authentic taste of the flavors of Ohiopyle.
